

**CITY OF BATON ROUGE AND
PARISH OF EAST BATON ROUGE**

December 31, 2019

ADDENDUM NO. 2

TO: ALL ENGINEERING CONSULTANTS

SUBJECT: R.F.Q. NO. 19-ES-DTD-009
College Dr. Corridor Enhancement (Perkins Rd. to I-10)
R.F.Q. NO. 19-ES-DTD-010
GROOM ROAD (LA 19 TO PLANK RD)
R.F.Q. NO. 19-ES-DTD-011
BLUEBONNET BLVD (PERKINS TO PICARDY)
R.F.Q. NO. 19-ES-DTD-012
JONES CREEK RD (TIGER BEND TO AIRLINE)

1. In response to a question posed concerning the College Drive Corridor Enhancements: “**For Section 9, “similar or comparable project performance”**: Can regional project descriptions that were performed by staff not located at the official address listed on Item 1b, but who are included in the organization chart and will contribute specialized expertise and innovation on this project, be included in section 9?”. The instructions on the CPES are clear in what is to be included in the responses on Section 9. Section 11 provides for the inclusion of additional information.

2. In response to several inquiries regarding the inclusion of Geotechnical Engineering as a Specialty Firm under the terms of Note (2) on page D5 of 5:

- a. RFQ 19-ES-DTD-009 for the College Drive, RFQ 19-ES-DTD-010 for Groom Road, and RFQ 19-ES-DTD-012 for Jones Creek Road provide for the Parish to secure Geotechnical Engineering services under a separate contract. The inclusion of these services in responses is not required and the provisions of Note (2) are not amended.
- b. RFQ 19-ES-DTD-011 for Bluebonnet Blvd provides for the Prime Consultant or Sub-consultant to provide geotechnical services. Note (2) on page D5 of 5 is hereby amended to include Geotechnical Engineering as a Specialty Service.

Sincerely,

Thomas A. Stephens, P.E.
Chief Design and Construction Engineer
