

**CITY OF BATON ROUGE AND
PARISH OF EAST BATON ROUGE**

April 30, 2020

ADDENDUM NO. 1

TO: ALL ENGINEERING CONSULTANTS

SUBJECT: R.F.Q. NO. 20-ES-DTD-008
Baton Rouge Metropolitan Airport North Airpark Development Road
Utility Corridor

1. In response to a questions posed regarding the RFQ, the user agency provides the following responses:

The RFQ indicates that the Prime shall perform the Civil and Structural Design. Do you know what structural design will be needed and can this be changed to allow the structural to be a sub-consultant?

In response, STRUCUTRAL ENGINEERING may be provided by a sub-consultant

Please provide a description of what utilities will be going in this proposed utility corridor? Will these utilities be coordinated with companies that typically provide utilities, such as Entergy, Baton Rouge Water, ATT, etc.?

In response, "All typical utilities needed for development such as water, gas, electric, telephone, cable, and sewer shall be provided for in the utility corridor. Utility installations shall be coordinated with the appropriate utility companies."

Could you please provide the construction budget for the North Airpark Development Road Utility Corridor project?

In response, The Engineer will determine the construction budget as part of the project services.

Sincerely,

Thomas A. Stephens, P.E.
Chief Design and Construction Engineer
