

Multiple Pump Stations - Jefferson Hwy - Park Forest Dr

City-Parish # 09-PS-MS-0046

Advertise for Bids: **1st Quarter 2011**
 Project End: **3rd Quarter 2012**

Pump Stations to be replaced on this project consist of the following: PS111, PS115, PS338, PS201, and the Woman's Hospital Pump Station. The upgrades will work in conjunction with force main upgrades in other South Forced Upper Basin projects to alleviate chronic SSOs at and near these pump stations.

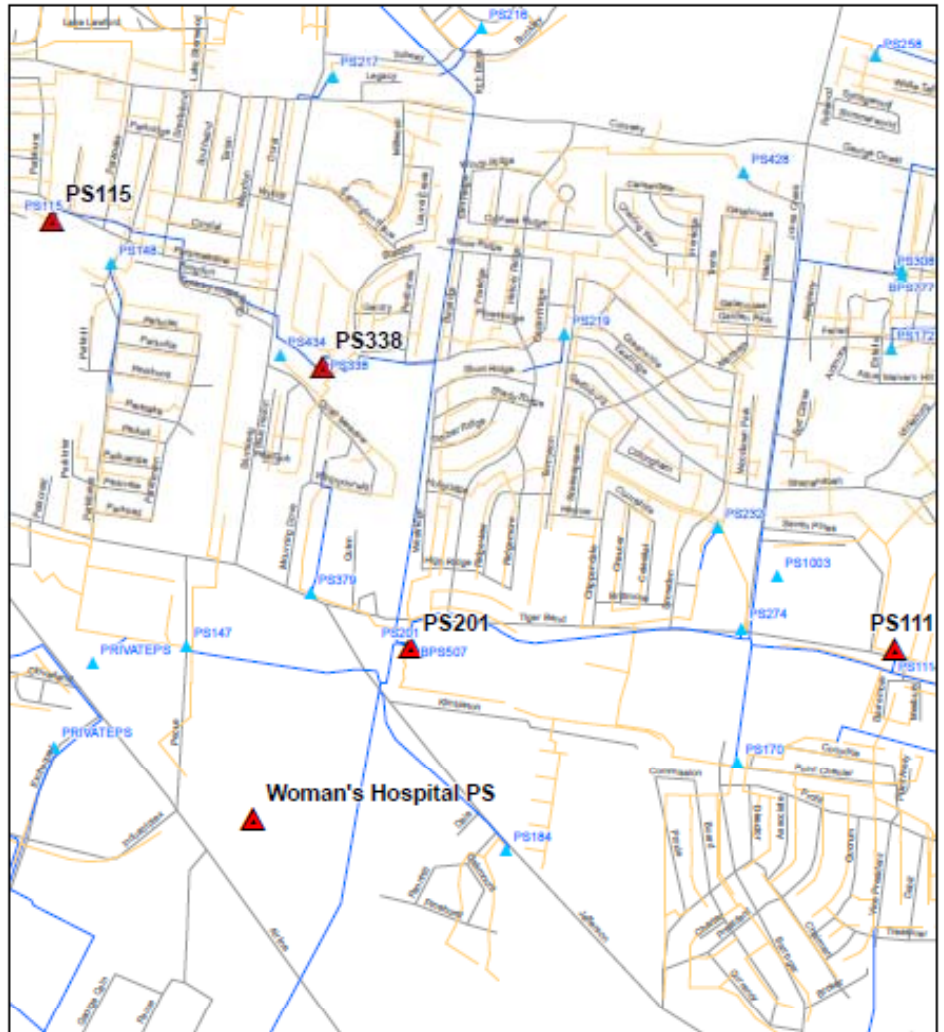

Flow measurements are taken throughout the collection system to determine the correct pump station upgrade size.

Five pump stations will be upgraded in the project area.

Five pump stations will be upgraded in the project area.
