

Nicholson Dr - Highland Rd - Perkins Rd Sewer Area Upgrades (Phase A)

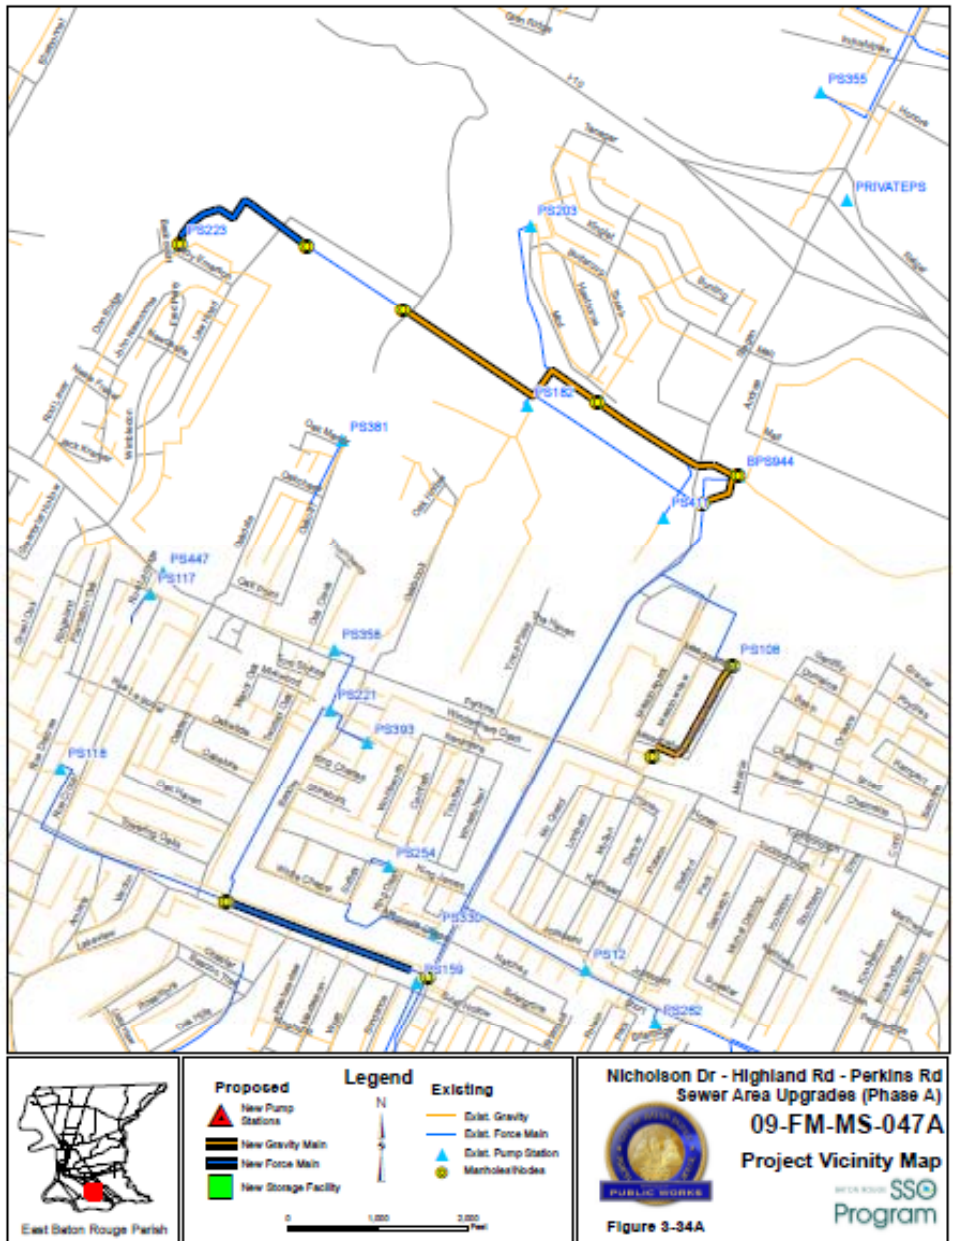

City-Parish # 09-FM-MS-047A

Advertise for Bids: **4th Quarter 2010**
 Project End: **1st Quarter 2012**

This project includes the upsizing of force main and gravity mains in an area South of I-10 between Blue-bonnet Blvd and Siegen Lane. The upgrades are designed to alleviate chronic SSOs at the pump stations and increase sewer capacity.

Flow measurements are taken throughout the collection system to determine the correct pump station upgrade size.
